

## UZMA secures first overseas chemical supply contract in Thailand

11 June 2021

---

**KUALA LUMPUR.** Uzma Berhad (“Uzma”), through its wholly-owned subsidiary, MMSVS Group Holding Co. Ltd. (“MMSVS”) in Thailand, is pleased to announce that it has been awarded a contract from Medco Energi Thailand (Bualuang) Limited (“Medco Energi Thailand”) for the provision of chemical supply and services (callout).

This three (3) years contract will run from 20 May 2021 to 1 June 2024 and is valued at an estimated USD3 million. The scope of work includes the provision and supply of production chemicals and oilfield chemicals, including technical services for the Chemical Management Program for the Bualuang field in the Gulf of Thailand.

*“This chemical supply contract award marks the first contract that we have secured in the ASEAN region outside of Malaysia, where we are the leading oilfield chemicals provider,”* said Dato’ Naza Haron, CEO of O&G Business in Uzma. Dato Naza’ further added, *“Uzma aims to further grow its chemical business and this contract is also MMSVS’ first venture into the chemical business in Thailand.”*

MMSVS joined the UZMA family in 2014 and since then, we have become the leading HWU service provider in ASEAN running the largest fleet of HWUs of different sizes capable of performing various services from well workover to drilling, both onshore and offshore. Today, our HWU division forms part of the Group’s integrated well service offerings for projects such as Plug & Abandonment (P&A) and Well Workover operations (WO). This chemical supply contract adds a further dimension to the services that are provided by MMSVS.

Uzma Berhad is one of the leading Malaysian oil & gas contractors specialising in production optimisation and enhancement. It has a strong track record as Malaysia’s leading integrated well services specialist as well as capabilities in other parts of the oil and gas value chain such as optimising hydrocarbon recovery.

**About Uzma Berhad**

Incorporated in 2000, Uzma is one of the leading Oil & Gas Service and Equipment (OGSE) companies in Malaysia with operational offices in Thailand, Indonesia and the Philippines. We offer a spectrum of cost-effective, integrated and innovative solutions across O&G value chain.

Uzma prides itself as a technology innovator through the continuous introduction of new services through our propriety and in-housed developed applications. Many of our innovations implemented by clients, include low pressure systems, mobile water injection facility, reinforced thermoplastic pipes, and several others have directly led to higher hydrocarbon recovery, extension of field life, and lowering client's operational costs.

Within both our local and international footprint, we remain committed to FIND, CONNECT and PRODUCE our clients' hydrocarbon assets by continuously developing new technology and processes that underpins our service offerings. At present, the group are diversifying into new growth areas such as the New Energy, Late Life Assets and Digitisation sectors to achieve a balance mix of growth and recurring operations going forward.

Uzma has been listed on Bursa Malaysia's Main Board since July 2008. For more information on Uzma, please visit [www.uzmagroup.com](http://www.uzmagroup.com).
